“Take heed what you hear. With the same measure you use, it will be measured to you; and to you who hear, more will be given.”

Mark 4:24

TAKE HEED

See, visualize, translate from audible to visual, watch and discern.

WHAT YOU HEAR

Give audience to what you hear.

WITH THE SAME MEASURE

Metron – the level of attention, depth and importance you attach to what you are hearing.

IT WILL BE MEASURED TO YOU

Given back to you with the same level of importance and intensity and depth.

TO YOU WHO HEAR, MORE WILL BE GIVEN.

Intently pay attention and an increasing measure of insight, understanding and revelation will be given.

What you give attention to, grows in you.

THE ULTIMATE SUCCESS FRAMEWORK

YOU ARE CONSTANTLY BEING INFLUENCED

BY WHAT YOU REPEATEDLY EXPOSE YOURSELF TO.

Your brain is continually receiving sensory information through sight, sound, touch, taste, smell, and internal bodily signals. But conscious attention can process only a fraction of everything available.

So the first scientific principle is simple:

You are constantly being influenced by what you repeatedly expose yourself to.

	ENVIRONMENT	Shapes your perspective.
	CONVERSATIONS	Plant ideas and beliefs.
	MEDIA	Feeds your mind 24/7.
	BOOKS	Expands your thinking.
	TEACHERS	Transfer knowledge and values.
	EXPERIENCES	Reinforce what you believe.
	THE PEOPLE AROUND YOU	Influence your attitudes and behavior.
	ALGORITHMS	Determine what repeatedly appears in front of you.

REPETITION CHANGES THE BRAIN

WHAT YOU REPEATEDLY THINK BECOMES EASIER TO THINK.

NEUROPLASTICITY IS REAL.

Repeated experiences and patterns of thought can strengthen neural pathways in the brain.

REPETITION BUILDS PATHWAYS.

What you repeatedly think, learn, practice, and experience becomes easier to think and do.

IT MAKES CERTAIN PATTERNS MORE READILY ACTIVATED.

You are literally shaping your brain through what you repeatedly expose yourself to.

INPUT CREATES MENTAL FRAMEWORKS

WHAT YOU TAKE IN SHAPES HOW YOU THINK AND WHAT YOU SEE.

The brain doesn't merely store isolated facts. It develops schemas—mental frameworks that help us interpret subsequent information.

REPEATED INPUTS CAN CREATE FRAMEWORKS:

- ❌ "Money is scarce."
- ❌ "People like us never get ahead."
- ❌ "Salespeople are dishonest."
- ❌ "Rich people are greedy."
- ❌ "Business is worldly."
- ❌ "I'm just not good with money."

Those inputs can eventually become interpretive frameworks. Now the person doesn't merely hear scarcity — they begin to see through scarcity.

THE PARABLE OF THE SOWER IS FUNDAMENTALLY AN INPUT STORY

SAME SEED. DIFFERENT SOIL. DIFFERENT RESULT.

*"The sower
sows the word."*

MARK 4:14

WAYSIDE

The word is heard,
but not understood.
Satan takes it away.

**NO ROOT.
NO RESULT.**

STONY GROUND

The word is received
with joy, but has
no deep root.

**QUICK GROWTH.
NO ENDURANCE.**

THORNS

The word is received,
but is choked by the
cares, riches and
pleasures of life.

**DISTRACTED.
NO FRUIT.**

GOOD SOIL

The word is received,
retained and produces
a harvest.

**DEEPLY ROOTED.
LASTING FRUIT.**

ground and yielded

times what was sown,
some sixty, some

ACT

SUCCESS ISN'T DETERMINED MERELY BY WHAT IS AVAILABLE TO YOU.

PHILIPPIANS 4:8 BECOMES AN INPUT FILTER

GUARD YOUR MIND. CHOOSE WHAT YOU FEED ON.

PHILIPPIANS 4:8

*“Whatever things are true,
whatever things are noble,
whatever things are just,
whatever things are pure,
whatever things are lovely,
whatever things are of good report,
if there is any virtue and
if there is anything praiseworthy—
meditate on these things.”*

Paul isn't saying Christians should deny unpleasant realities. He's teaching intentional mental stewardship.

BE
INFORMED.
BE DISCERNING.
FEED ON WHAT
BUILDS YOU.

BEFORE YOU LET IT IN, ASK:

Is it
TRUE?

Is it consistent with reality
and God's truth?

Is it
USEFUL?

Will it help me think, grow
or take a godly step forward?

Is it
GODLY?

Does it align with Scripture
and honor Christ?

Is it **WORTH
DWELLING ON?**

Will this input build my mind,
heart and character over time?

There's a huge difference between
being informed about something
and **feeding on it**.
