

Jesus School of Business

“...a greater than Solomon is here” -Matthew 12:42

MISSION STATEMENT

THE ULTIMATE GOAL

Train and equip the body of Christ to excel in the marketplace, provide well for their families, while advancing God’s kingdom and being a witness to the nations.

THE GOAL - Expanded

To package the raw materials of faith and wisdom as provided by God, revealed in His Word and demonstrated in creation for use in inspiring, equipping and molding the entrepreneurial spirit and the upcoming professionals for remarkable success in their chosen field of endeavor.

The intent of such equipping goes well past mere financial success for the sake of money. I see students all over the world, coming out of the school, going into the world, transacting business and simultaneous to that, being a light to the masses, and unashamedly bearing testimony of the faithfulness of God, supporting good works and shaping the culture in which they live.

This school begins in an online format, but will one day have a physical premise where men and women will come for short, but intense periods of learning, counsel, reflection and prayer. While we have nearly 200 students at present, I want to be at 1,000 by end of 2023 and then grow it by a factor of 10, every five years. (1,000 > 10,000 > 100,000)

THE VEHICLE

To grow this school, we will harness the communication vehicles of the day. We have started with some television and radio, but will also use the full power of the internet to reach the world. If something better comes along, we will use that as well.

THE CREED

I was created in the image of God¹, crowned with glory and honor², to glorify Him by completing the work He gave me to do³. I am God's workmanship created in Christ Jesus for good works prepared beforehand that I should walk in them⁴. Therefore, I will be fruitful and multiply, replenishing and subduing the Earth⁵, for God made me to have dominion over the works of His hands⁶.

By faith, I will obtain a good report⁷, not growing weary in well doing, but reaping in due season⁸, walking in wisdom⁹, and redeeming the time for the days are evil¹⁰.

I was created for His pleasure¹¹, purchased with His blood¹², delivered from darkness¹³, and called with a holy calling¹⁴. I will seek first His kingdom¹⁵, not looking back¹⁶, but pressing into it¹⁷ with violence¹⁸, I will destroy the works of the devil¹⁹.

I will be about my Father's business²⁰, doing it with all of my heart²¹, that I may apprehend that which I was apprehended for²². With all diligence I will make my calling and election sure²³, forgetting those things which are behind and reaching ahead, I will press toward the mark of the high calling of God in Christ Jesus²⁴.

I will be strong, doing exploits²⁵, trampling the lion, cobra and dragon under my feet²⁶; for He has given me power to tread upon serpents and scorpions and over all the power of the enemy; and nothing will by any means hurt me²⁷. I will fulfill the ministry I have received from the Lord²⁸.

THE COMMITMENT

This is not merely a business enterprise. It is a mission, one which I have been crafted for. I will stay the course, against all obstacles. There is no “give up” in me. I will pursue God daily, seeking His strength, wisdom and leading. I am in this until the mission is accomplished and it can be passed on to another generation of leaders.

THE QUALIFICATION

I will continuously drink from the wellspring of knowledge, expanding my understanding of God’s ways and wisdom. His Word will inform me. His creation will both teach and refresh me. I will benefit from the hard-earned lessons of others who have gone before me. I will walk by faith, be motivated by love, and work as unto the Lord.

THE POSITIONING

I will be careful to follow God’s leading in terms of those I come alongside and/or assist. I will be careful to not be entangled in relationships that drain my most sacred and irreplaceable resource... time, nor besmirch my reputation.

THE ASSESSMENT

Depending on the metric, I will review progress daily, weekly, and monthly, culminating in annual reviews.

THE DESTINATION

On the way to realizing my mission, I will keep my eye on the prize and the means to accomplish it.
