

Your Destiny Awaits

Do You **SEE** it Yet?

All Things Are Twice Created

- Everything ever created was first of all...
- IMAGINED
- We formed an image on the inside by choice.
- Imagination is preceded by THINKING / CONSIDERATION
- Thinking is preceded by INPUT / OBSERVATION

Genesis 1:2

- INPUT / OBSERVATION

- “The earth was without form, and void; and darkness *was* on the face of the deep.”

- THINKING / CONSIDERATION

- “And the Spirit of God was **hovering** (moved) over the face of the waters.”
- HOVERING: Rāḥaṇ = to hover, stir, vibrate, energize.
- *Rāḥaṇ* is the **energizing movement** BEFORE creation takes shape.
- *Rāḥaṇ* describes the **dynamic, creative motion that precedes and activates imagination.**

THINKING & CONSIDERATION PHASE

- **Use your brain...** Question: Implications, Applications (Moses Q)
- “if you call out for insight and raise your voice for understanding,...” Proverbs 2:3
- *“cry out for (bina) the ability to think strategically and analytically with the capacity to see the WHY behind things, so you can discern between options or nuances... and lift up your voice asking for (tabun) the ability to analyze and reason with a mind skilled at processing complex or layered issues.”*
- Be intensely and intently curious.

IMAGINATION UNLOCKED

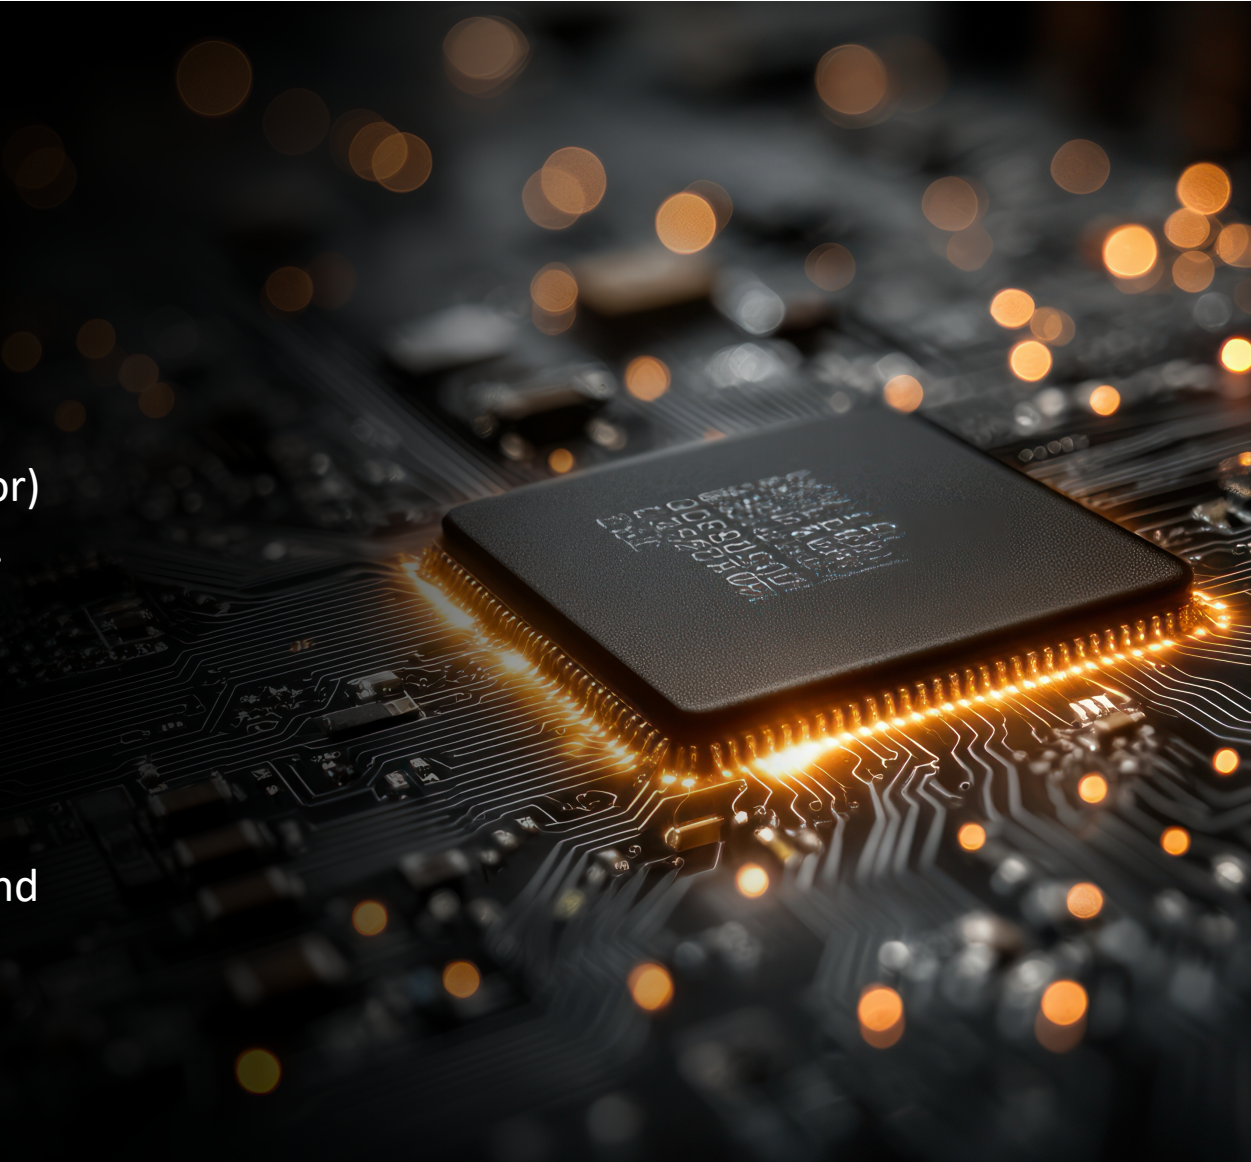

- IMAGINATION (SEEING) FOLLOWS CONSIDERATION / THINKING
 - “...while we do not **look at the things which are seen, but at the things which are not seen...**” (2 Corinthians 4:18)
 - “You keep him in perfect peace whose **mind** (yeser (noun) = *imagination, formed intention, conception*) is stayed on you...” (Isaiah 26:3)
 - “O Lord God of Abraham, Isaac, and of Israel, our fathers, keep this for ever in the **imagination** (yeser) of the **thoughts of the heart** of thy people...” (1 Chronicles 29:18)
-

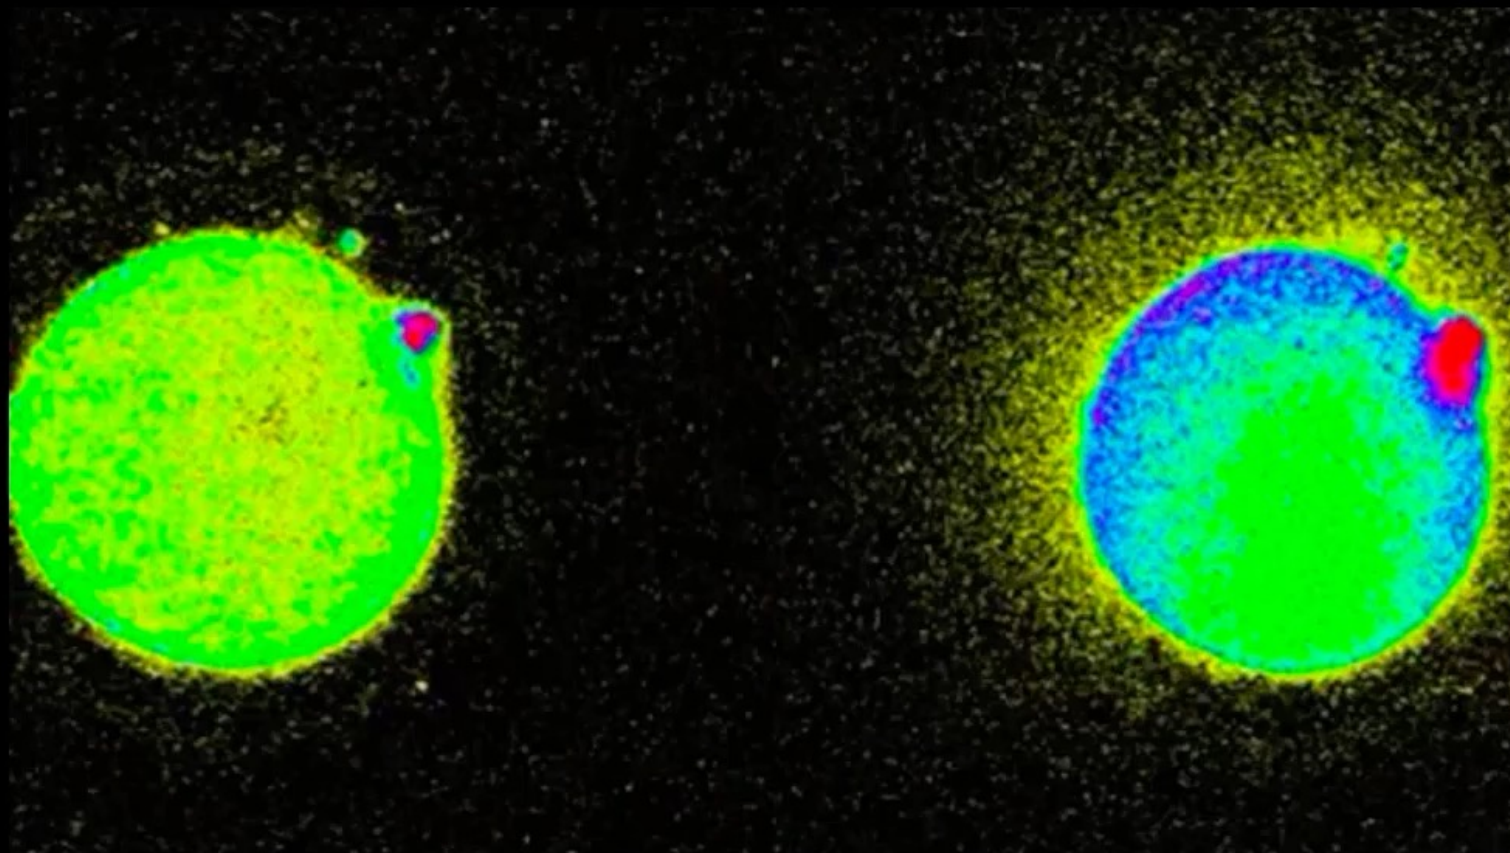

IMAGINATION UNLOCKED

- Your mind is the computer (processor) where information is stored and managed for easy retrieval, but your heart is the incubator, where information goes from stored up knowledge to heartfelt realities.
- *“Wise people store up knowledge.”*
(Proverbs 10:14)
- Your heart is the birthplace of faith. That moment when facts in your mind become faith in your heart .
- It’s what I call the moment of CONCEPTION.

CONCEPTION

- *“Being born again, not of corruptible **seed**, but of incorruptible, by the word of God, which lives and abides for ever.”* (1 Peter 1:23)
- Seed = spora / sperma: As in *“Now to Abraham and his **seed** were the promises made.”* Galatians 3:16
- The word of God is a living seed and when planted in the heart, if received, leads to salvation.
- *“For **with the heart** one believes unto righteousness...”* Romans 10:10
- Conception takes place in the heart.

IMAGINATION UNLOCKED

- Every thing has two births. The idea is first birthed in the heart. We call that conception.
- Manifestation is the second birth, when it's introduced to the world.
- *“And the Lord said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have **imagined** (zaman) to do.” (Genesis 11:6)*

IMAGINATION UNLOCKED

- *“But his delight is in the law of the LORD; and in his law doth he **meditate** (haga) day and night.” (Psalm 1:2)*
- *“Why do the heathen rage, and the people **imagine** (haga) a vain thing?” (Psalm 2:1)*
- *“This book of the law shall not depart out of thy mouth; but thou shalt **meditate** (haga) therein day and night,...” (Joshua 1:8)*
- *“Let the words of my mouth and the **meditation** (noun form of haga) of my heart Be acceptable in Your sight, O Lord, my strength and my Redeemer.” (Psalm 19:14)*

Meditation Leads To Conception (Combustion)

- Meditating is not emptying your mind, it is the idea of rehearsing something such as the Word of God.
 - One of the purposes of meditation is so you can see it. Rehearse it mentally.
 - Once you “see” it, (lights up, epiphany, aha, eureka) it transfers from the act of rehearsing to belief.
-

IMAGINATION UNLOCKED

- “And the Lord God **formed** (yasar) man of the dust of the ground,” (Gen 2:7) (verb)
- Just as God “formed” (yāṣar) man from the dust, we “form” (yāṣar) inner realities in our hearts and minds.
- Our imagination — in the Hebrew sense — is a creative faculty given by God to ***shape the unseen BEFORE it becomes visible.***

SEEING IS BELIEVING

- I can imagine me walking on water, but that's not conception (because I don't believe yet).
- Imagination is the introduction of an outcome I may want (or not want – i.e. Downs)
- Imagining an outcome is a necessary step, without which you won't believe.
- If you don't see it, you won't conceive it, or believe it.

How Einstein Famously Harnessed Imagination

- Einstein asked himself: “What would it look like if I could chase a beam of light?”
 - If he caught up to the light, would it appear frozen in space?
 - That imaginative question became the seed for his theory of special relativity (1905), where the speed of light is constant for all observers.

Spiritual Laws of Imagination

- Unity of focus magnifies it (Gen 11:6, Acts 2)
- Moral direction determines fruit — imagination produces either blessing or destruction.
- God can impart it directly (Exodus 31:3 — Bezalel filled with skill and “craftsmanship” — inner visions of the designs).
- It must be guarded — Paul speaks of “casting down imaginations” that exalt against the knowledge of God (2 Cor 10:5).

Imagination: Inner Craftsmanship

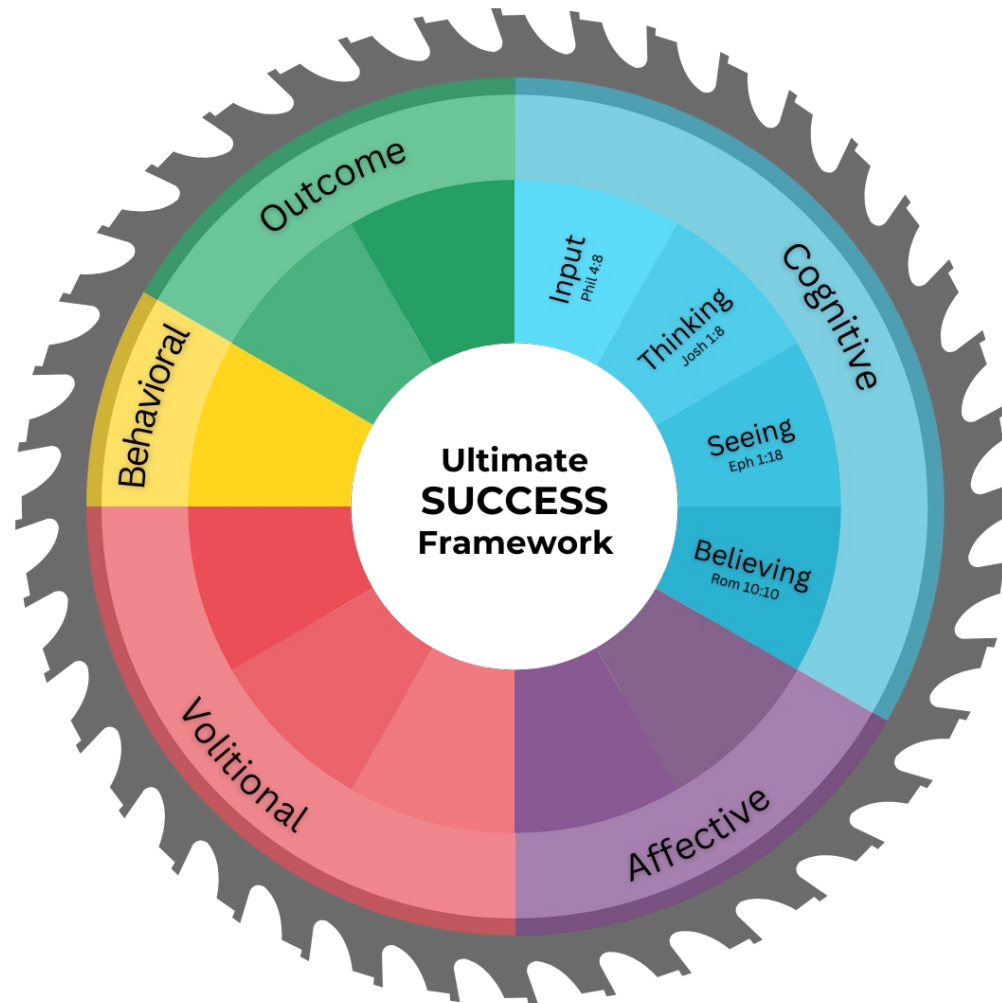

- A potter's wheel for the soul — shaping ideas, visions, and plans.
- A seedbed of faith or fear — whatever is formed inside will seek to emerge in reality.
 - *“For the thing I greatly feared has come upon me, And what I dreaded has happened to me.”*
(Job 3:25)
- A power so strong God will either bless it or confront it, depending on its alignment with Him.
